THE DIRECTOR

UNITED STATES INFORMATION AGENCY  
WASHINGTON

November 23, 1954

Dear Allen:

Next Wednesday afternoon, December 1 at four o'clock, we are formally opening our new Voice of America studios in Washington.

Secretary Dulles will participate and we would be very much honored to have you with us on this occasion. There will be a brief ceremony in Room 2066, followed by a tour of the new studio facilities.

The group will be relatively small, composed of members of the Congress, Executive Branch officials with responsibility in the field of foreign affairs, and the press.

I sincerely hope your schedule will permit you to be with us on the second floor -- Health, Education and Welfare Building, 330 Independence Avenue, S.W.

Cordially,
